MEMORANDUM FOR: Deputy Director of Central Intelligence

SUBJECT: Report of the Ad Hoc Committee on
Overseas Processing and Reporting

1. Your appointees on the subject committee, [redacted] of NPIC, [redacted] of DDI, and the undersigned have held discussions with the interested parties in the agency and submit the results of the Ad Hoc Committee's work (a policies and procedures paper at Tab B) along with a covering report which was prepared by us and has not yet been presented at the Ad Hoc Committee.

2. Your representatives now propose, with your concurrence, to present the attached draft report with its tabs at the Ad Hoc Committee meeting on Tuesday as an agency position looking toward a final negotiation of the report.

3. On the next page is a background statement, an historical resume of our experience with overseas processing. You may find it helpful to peruse this.

4. At the last meeting of the Ad Hoc Committee its attention was called to your memorandum appointing the CIA representatives and the fact that you felt the results of these deliberations would be of great concern to the USIB and therefore at an appropriate point should receive the Board's consideration. The DIA member noted that the JCS was likewise interested. We proposed that it might be preferable for the Board to examine the report before it went to the JCS.

5. If your time permits and it is your desire, your representatives are prepared to meet with you on Monday, 1 February.

6. In any event, we would appreciate your guidance prior to the meeting at 0930 Tuesday, 2 February.
